

Beneteau Oceanis 50

Capturing all the very best features of the established Oceanis brand, this latest model takes the concept of comfortable and effortless cruising to a new level. On deck the Oceanis 50 has a spacious aft cockpit, with twin steering wheels, clear access to the stern bathing platform and all sail controls easily to hand. Wide, uncluttered teak laid side decks allow safe movement around the yacht.

This yacht is licensed for 12 guests plus skipper & crew for Lymington based charters.

Visit our Corporate Page for examples of the kind of days we regularly run using these and other yachts.
