

## Jeanneau Sun Odyssey 45

A fine elegant yacht, the Sun Odyssey 45 is styled after the larger 49 and exudes enormous power due to her optimised underwater hull shape, maximum waterline length, moderate beam and generous sail plan. A great layout, arguably one of the better corporate charter yachts in its class, comfortably accommodating up to 10 guests plus skipper and crew.

Visit our Corporate Page for examples of the kind of days we regularly run using these and other yachts.
