

## Client Entertainment

Enjoy a great day out on a fabulous yacht with an itinerary that suits any level of sailing ability and maximises the experience for you and your clients.

### Example Itinerary

This is a sample trip itinerary to give you an idea of the experience. Timings can be adjusted to suit the the needs and interests of the group and may be affected by the weather.

0900 You will be greeted by your skipper and have a chance to get to know one another over a breakfast of bacon rolls, coffee and juice.

0930 Once onboard the yacht, the skipper will give a safety brief and run through the itinerary for the day.

1000 Depart Portsmouth Harbour (or Lymington) for a leisurely sail to Cowes (or other locations) on the Isle of Wight. Your skipper will ensure that guests are given the opportunity to helm and get involved with the running of the yacht unless of course they prefer to sit back and relax!

1230 Arrive in the picturesque town of Cowes (or other locations). We can arrange lunch ashore in one of the many good pubs and restaurants, alternatively a buffet lunch can be enjoyed onboard.

1430 Depart the Island and sail back to base with afternoon tea whilst underway.

1700 On arrival back at the Marina, there is opportunity to discuss the days sailing over a drink in the Marina bar before departure.

We can offer you the option of combining your yacht with either a RIB or a powerboat, which is ideal for larger groups. Meet up for lunch then swap boats for the afternoon, the best of power and sail all in one day!
