Onboard catering:

All catering is freshly prepared to order by local suppliers and can usually be made available with 48 hours notice, however during busy periods and events you are advised to book as early as possible as we may not be able to guarantee availability otherwise.

We can arrange anything from a simple picnic lunch to full onboard catering. Hostess service is available and recommended with certain menus as the skipper is not responsible for the lunch arrangements. You are welcome to bring someone with you in place of the hostess should one be required.

We will provide sample menus on request. The prices will not include delivery to the marina, which is £10 in total, or our arrangement fee of £25 (per yacht). You can make your own arrangements directly with the caterer if you prefer.

NOTE: Onboard catering is only available for groups of 8 people or more. Please remember to include the skipper in your numbers, especially if you are not planning to go ashore.

You are welcome to bring your own food if you prefer.
